**About our  
travel company**

A group of approximately 20 children, dressed in winter coats, hats, and boots, are posing for a group photo in a snowy field. The children are arranged in two rows, with some kneeling in the front and others standing behind. In the background, there are several large, leafless trees and a red shipping container with the word "LINE" visible. The sky is clear and blue. Overlaid on the image are five callout boxes with text, connected by a dashed white line.
