

Friends of Montalbo School –FOMs

Friends of Montalbo School are parents /carers /volunteers who organise events to raise valuable funding to enable the school to purchase equipment to benefit all children in the school.

We meet at the school as required to organise events and need parents and carers to join us. If you cannot make our meetings, help and support at fundraising events is greatly appreciated. Minutes of our meetings can be found on the school website.

Monies raised in 2018 allowed the school to purchase 16 IPADs, outdoor waterproof coats for nursery and reception children, selection boxes for all children at Christmas and money helped the garden project.

In 2019 FOMs have funded a Chinese Dance Group to come into school to Celebrate Chinese New Year and a new stage for the school for all children to benefit from.

Our next goal is to raise money to fund a multi-purpose club room to include library.
