

# Dinosaur

## Home Learning Challenge

Gather together some playdough or some empty boxes and create your own dinosaur. You could use a book or a toy to help you build it. You could paint it when you have finished making it. Ask someone to guess what type of dinosaur it is.

Take a blanket outside and watch the clouds on a cloudy day. See if you can spot any clouds that look like dinosaurs. Do they have spikes or long tails? You could ask a friend or family member to play with you. Who can spot the most?

Create your own dinosaur. Draw a picture then write its name underneath. You could ask a grown-up to help you write some adjectives to describe your new dinosaur. Is it scary or friendly? Is it large, long or scaly?

If there are 10 dinosaurs in the forest and 4 get lost, how many are left? Use your fingers to help you.

Can you think of some more words that start with the sound 'd'? Try to write a list of six.

Think of a dinosaur and describe it to a friend or someone in your family. They have to guess which dinosaur you are! Remember to use adjectives to describe the dinosaur. E.g. "I am big. I have a long neck and a long tail. I like to eat the leaves in the trees." You could use an information book to help you find out what they look like.
