Dear Parents/Carers

We hope that you and your family are well. The staff here are missing you and hope that you are all enjoying your time with each other and are managing to complete some home learning.

From Monday, we have set up the following emails to allow you to email your child's class teacher with home learning work, updates or queries. They are as follows:-

The Summer Term is usually a time when we start to think about transitions. We are looking forward to welcoming our new Reception Class and would usually be arranging to meet parents and be providing opportunities for the children to come together as a class once a week, over a number of weeks. Transition is also important for our new Nursery starters and again we would have had the opportunity to meet all of the children and their families this term before they started with us. We will have a clearer idea what is possible after the next government announcement on Sunday and will be in touch with all families regarding transition after this.

It is a similar picture for Year 6 and we know how important transition is for these children as they move on to secondary schools. I have been in touch with the local secondary schools and they, like all schools, are awaiting the next announcement in order to make appropriate plans.

I have been pleased to see many of our children in and out of schools over the past few weeks. Next week, the staff will be in contact with families to check that everything is OK and to see if you need any support. In the meantime, please contact me if I can help in any way.

Enjoy the VE Day Bank Holiday,

Yours faithfully
