

KS2 Dictation Exercise 6a

Extract from Hansel and Gretel

Hansel and Gretel went deeper into the forest until they reached a little house. They approached the little house and saw that it was built of bread and covered with cakes, and the windows were of clear sugar.

“We will set to work on that,” said Hansel, “and have a good meal. I will eat a bit of the roof, and you Gretel, can eat some of the window. It will taste sweet.”

Hansel reached up above, and broke off a little of the roof to try how it tasted, and Gretel leant against the window and nibbled at the panes.
