

# Slick City Spats

Slick City Spats is the coolest of cats.  
Dressed in his best coat of glistening black.  
Slick City Spats is the talk of the town.  
Taking his time as he pads up and down.

## Chorus

Got no worries, he never hurries,  
Cos he's the smoothest, the coolest cat to walk the town.  
Sleek and sassy, he's chic and classy,  
Down in the alley, they say he's just the best cat around.

Round past the jazz club on Harmony Road  
Spats saunters out for his regular stroll.  
Stops at the fish shop for something to eat  
Slicks back his fur, as he slinks down the street.

## Chorus

Spats meets the gang by the bus station clock,  
Three of the top ranking cats on the block.  
Side Alley, Sam Dustbin Dan and Fridge Flow,  
Wait for the boss cat to lead the patrol.

## Chorus

Over the rooftops, the cats march in line.  
Stop for a pose by a bright neon sign,  
Stepping on tiptoe along the red tiles,  
Spats shows the cats how to catwalk with style.

## Chorus

Slick City Spats, yeah!
