

## Environmental Art

Can you make a carton bird feeder? All you need is a carton and something to decorate it with. Fill it with bird seed and hang it from a tree.

Can you make a sun catcher? Using an old plastic bottle and colour it in as beautifully as you can. Place it in the window and watch the sun transform your room.

Can you make a rainbow wreath? Cut off the bottom of an egg box and decorate each section the colour of the rainbow. Attach them to a piece of paper in a circle to make the wreath.

## Environmental Art

Can you make a wind chime? You can use lots of different materials, such as: old CDs, twigs, bottle tops and cans. Decorate them and attach them to a stick using string or ribbon and hang them in your garden.

Can you make a superheroes vehicle? You could use old boxes or cartons and decorate it to match your superero identity.
