

	Literacy	Maths	Other subjects
Mon	<p>Listen to or read chapter 13 (pg.93-99)</p> <p>Answer the questions in your books.</p> <ol style="list-style-type: none"> 1. What did Munchkin and Zoe find in the tin? 2. Why do you think the photograph made Zoe feel like crying? 3. Do you think that Munchkin changes on the boat? How and why? 4. What happens to Zoe and Munchkin? <p>Handwriting</p> 	<p>https://www.bbc.co.uk/bitesize/articles/zknvqwx</p> <p>Adding two mixed numbers</p> <p>Read the method for adding two mixed numbers. Make sure you understand the steps.</p> <p><i>You could write the checklist into your books to help you to remember the steps.</i></p> <p>If you have found this tricky, do activity 1. If you are feeling happy then complete the first two sheets of activity 2.</p> <p>Optional challenge - sheet 3</p>	<p>P.E -Try to get outside as much as you can - safely!</p> <p>R.E - What is a saint and how does somebody become one?</p> <p>Go the link below and read through the information.</p> <p>https://www.bbc.co.uk/newsround/32772092</p> <p>What are the 5 steps that mean that you are a saint?</p> <p>Write each step and include a brief explanation. You could do this in the style of a poster or 'A guide to becoming a Saint'.</p>
Tues	<p>Listen to or read, After One (pg.103 - 109)</p> <p>In your books answer the question. - Should Zoe try and find her parents? Why? Why not?</p> <p>Write a paragraph of reasons why and a paragraph of reasons why not. Finish off with a concluding paragraph that states your opinion.</p> <p>Handwriting Resources -> Printouts->Key Stage 2 -> English -> idioms</p>	<p>https://www.bbc.co.uk/bitesize/articles/zhs9d6f</p> <p>Subtract two mixed numbers</p> <p>Watch the video, remember to pause and have a go. If you need to watch it more than once, that is no problem.</p> <p>Complete Activity 2</p> <p>Optional challenge - activity 1</p>	<p>P.E -Try to get outside as much as you can - safely!</p> <p>Science - Plant reproduction</p> <p>Find the PowerPoint called, Plant Reproduction.</p> <p>Work your way through the PowerPoint to slide 5. Make sure you watch the video clips and complete the activities.</p> <p>Optional challenge - slide 6</p>

<p>Wed</p>	<p>Listen to or read <i>After, two</i> (pg. 110 - end) I was really shocked when I finished the book. Answer the questions below to describe your feelings and those of the characters! How did the last chapter make you feel? Why? How did Zoe's feelings change? Why? How do you think Munchkin felt? How do you think her parents felt? Handwriting Resources -> Printouts->Key Stage 2 -> English -> jokes</p>	<p>https://www.bbc.co.uk/bitesize/articles/z6ghscw Multiplying unit and non-unit fractions by an integer This sounds tricky but isn't at all! You will need to use your times table knowledge. Complete Activity 2. Optional activity - play the game in activity 1</p>	<p>P.E -Try to get outside as much as you can - safely! Art Watch the beginning of the video again to 1:07 https://www.bbc.co.uk/bitesize/clips/zgmzpxv4 Click on the link below to find out your task! It can be any size and remember to make it scary! You could use natural materials if you would prefer. Be creative! If you would like to send a photograph of your creation that would be great. http://downloads.bbc.co.uk/history/handsonhistory/vikings_figure_head.pdf</p>
<p>Thur</p>	<p>Book Review. Answer the questions in your book.</p> <ol style="list-style-type: none"> 1. Why do you think the book is divided into before, then and after? 2. What did you like or dislike about the books? 3. What messages do you think the book was trying to get across? 4. Draw a picture to sum up the story and your feelings about the book. <p>Handwriting Resources -> Printouts->Key Stage 2 -> English -> poems</p>	<p>https://www.bbc.co.uk/bitesize/articles/z76qmfz Solving problems with fractions Watch the video, this will help you to work out the problems. Complete all the tasks in Activity 1 Optional challenge - Activity 2</p>	<p>P.E -Try to get outside as much as you can - safely! PSHE - Kindness This week I would like you to do something kind for somebody else, it can't be something that you already do, it needs to be something completely different! After you have done your kind thing (and you could do this more than once) think about how it made you feel and also how you think it made the person feel. Draw a picture of you completing your act of kindness and add your feelings and theirs to your drawing.</p>

Fri	<p>Copy the spellings week 7 sheet into your books or print it off. Practice the spellings daily.</p> <p>Write a sentence using the spelling words in your neatest handwriting into your books.</p>	<p>https://www.bbc.co.uk/bitesize/articles/zdrbcqt</p> <p>Fractions of amounts in context</p> <p>Watch the video to see how fractions are used in everyday life.</p> <p>Use the top tip and work your way through the explanation</p> <p>Watch the next video in Practice 1 and answer the questions:</p> <p>Activity 2 - answer questions 1-7</p> <p>Optional challenge - questions 8-10</p>	<p>P.E - Try to get outside as much as you can - safely!</p> <p>D.T</p> <p>Look at slides 10, 11 and 12, then answer the questions below:</p> <p>Why do we depend on our oceans? What are the threats to our oceans? What is the impact of these threats?</p> <p>Draw and label a diagram of how you want our oceans to look like. Look at slide 14, if you are stuck for ideas. If you have a washing up bowl or similar or a paddling pool you could fill it with water and make your own ocean! Get creative! Try and take a picture and glue it into your book or send it to me!</p>
