Mon	<p>'The Dragon Machine' by Helen Ward</p> <p>Listen to the story then answer the following questions:</p> <ol style="list-style-type: none"> 1. On which day did George notice his first dragon? 2. How does George and his dragons feel? 3. Where could the dragons be found and what did they do? 4. Why did the dragons start getting noticed? 5. What did George decide to do? 6. What happened to the machine? 7. What happened to George? 8. Do you think the dragons were real? Or do you think George made them up? 	<p>Angles on a straight line</p> <p>Watch the video and then have a go at the game if you need a bit more practice</p> <p>Complete the first angles worksheet (called Wednesday)</p>	<p>P.E - Click dice and then complete a dice workout.</p> <p>R.E - What are the Northern Saint Trails?</p> <p>Read the article from the Northern Echo about the Northern Trails then answer the questions.</p> <ol style="list-style-type: none"> 1. What are the names of the 6 new Northern Saints Trails? 2. Where do all the trails lead to? 3. What does Bishop Stephen say that a Pilgrimage does? 4. "We must be the first generation of Christians that think that pilgrimage is about arriving rather than the journey - our forebears knew the truth that we have neglected: that all the important things are learned on the way." Explain in your own words what you think this means.
Tues	<p>Prepositions</p> <p>Listen to the story again, Helen Ward uses lots of different prepositions to describe where the dragons could be found. Read through the information to revise prepositions then write your own sentences making up new places that the dragons might be found.</p> <p>For example, Dragons slid along telegraph poles and they hid underneath giant leaves.</p> <p>Handwriting</p> <p>Resources -> Printouts-> Key Stage 2 -> French and Spanish -> numbers, months and days</p> <p>Complete the numbers section</p>	<p>Exploring angles</p> <p>Play the game and then Complete the second angles worksheet (called Thursday)</p>	<p>P.E - Click dice and then complete a dice workout.</p> <p>Science - continue with your research into different scientists</p> <p>Over the next three weeks, I would like you to discover more about scientists who have shaped our world for different reasons. Each week until the summer holidays, choose a scientist from the list below, then decide how you would like to present the information. Remember you can email your work to the year 5 email address.</p> <p>Scientists to research:</p> <p>Click here for a useful website that covers some of the scientists.</p> <p>Ada Lovelace</p> <p>Mary Jackson</p> <p>Ibn al-Haytham - click here</p> <p>Stephen Hawking</p>

			If you discover a different scientist you would like to find out more about, then please do!
Wed	<p>Instructions</p> <p>George consults an Encyclopedia to find out about dragons. Write a set of instructions to give advice to anyone who is having problems with their dragons!</p> <p>Watch the video to revise imperative verbs in instructions</p> <p>Handwriting</p> <p>Resources -> Printouts-> Key Stage 2 -> French and Spanish -> numbers, months and days Complete the months section</p>	<p>Watch the video and then have a go at the game if you need a bit more practice</p> <p>Complete the first shape worksheet (called Monday)</p>	<p>P.E - Click dice and then complete a dice workout.</p> <p>Art - Find the Viking Animal Art PowerPoint. Work your way through the slides, following the steps on the slides. Send me a picture of your Viking animal!</p> <p>Optional challenge - design your own Viking knot with an animal head (not a snake!)</p>
Thur	<p>Letter</p> <p>Imagine you have just discovered that George has gone missing. Write a letter to him to persuade him to come home - you might tell him about how you have all been searching for him, that he will never go unnoticed again, that you have bought him a dog to be his special friend and about how much you miss him!</p> <p>Handwriting</p> <p>Resources -> Printouts-> Key Stage 2 -> French and Spanish -> numbers, months and days Complete the days section</p>	<p>Have a go at the game and complete the second shape worksheet (called Tuesday)</p>	<p>P.E - Click dice and then complete a dice workout.</p> <p>D.T - Design your own Dragon Machine!</p> <p>Plan a machine that has a beginning, a middle, a tail end, an undercarriage and beautiful wings. Make sure you include a space for George and his snacks!</p>
Fri	<p>Copy the spellings week 11 sheet into your books or print it off. Practice the spellings daily.</p> <p>Write a sentence using the spelling words in your neatest handwriting into your books.</p>	<p>Revision of skills</p> <p>Complete the activity in your books. Remember to show your working out.</p>	<p>P.E - Click dice and then complete a dice workout.</p> <p>French - 'Tu es' poem</p> <p>Read the poem again. Now you are going to write your own version, using your favourite foods! First write it in English and then translate it into French. Use the planning sheet to help you.</p>
