

In response to the Government's refusal to provide free school meals during half term.

We don't want to see any child go hungry, therefore we are pledging 1500 healthy meals for all children within our community.

The meal will consist of grilled chicken and some fresh vegetables. They can be refrigerated for up to 3 days.

We will be preparing 100 meals everyday for the next 15 days and will be available to collect everyday from our stand in the bar areas between 4pm-5pm.

Please don't feel embarrassed to take these meals, we want to make sure these meals are used. Please feel free to come in and take what you need for your children no questions asked.

Let's get through this together ♡
