You will see a heading 'Jump straight in'. Please select 'ebooks for age 4 – 5' and scroll down until you see the screen below.

These books are matched to your child's home reading book and are therefore appropriate for the level they are working at. Please select book 1 in the colour that matches your child's home reading book. It is **IMPORTANT** that you do not select a different coloured book at this time. However, we can review your child's book in the coming weeks if necessary. Activities will be set that match these books each week. If your child has a sound blending book they should start reading the red book provided online. If you are unsure as to which book your child should be using, then please let me know using the email address listed below.

If you have any problems with this please email reception.montalbo@durhamlearning.net
