Wraparound Care

Dear Parents/Carers

I want to share some new arrangements for wraparound care in terms of where to drop children off and pick up. The changes have been made to maximise time teaching assistants have in class to support teaching and learning.

I am aware that everyone has got used to the staggered starts and finishes and these will continue as current arrangements, mainly due to concerns around the volume of traffic at key times. Siblings will still be able to be dropped off and picked up together.

Changes

Children who need care before 8.30am should be dropped off at the hall. This is the same for all children from Nursery to Year 6.

Children who need care after 3.30pm will be picked up from the hall doors.

Siblings drop off

Where a child is being dropped off as their sibling starts school at an earlier time, these children should be taken to **their own classroom door**. For example:

- If a child in Reception has a sibling in Year 3 the child in Reception would be dropped off at the Reception classroom at 8.30am.
- If a child in Nursery has a sibling in Key Stage 1, they should be brought to Nursery at 8.45am. Please do not drop them off earlier than these times.

Sibling pick up

Children in Key Stage 2 who are waiting for their siblings to finish school, will wait in the hall and can be collected from there once the younger sibling has been collected. This will be the same for a Key Stage 1 child who may have a sibling in Nursery/Reception.

Please contact me or a member of staff if you have any questions about these new arrangements, which we will trial next week (w.b. 4th April).

Yours sincerely

Mr C. Minikin
