

## Equality Information and Equality Objectives for Montalbo Nursery and Primary School

### Equality Act 2010 Montalbo Nursery and Primary Schools' provision of the public sector equality duty

**Date: 11.3.20**  
**Reviewed September 2021 and September 2022**

We in Montalbo Nursery and Primary School are committed to equality. We aim for every pupil to fulfil their potential no matter what his/her background or personal circumstances.

We maintain the aim of embedding principles of fairness and equality across our entire curriculum, in assemblies and acts of collective worship, in break and lunchtimes, in pastoral support and in before and after school activities. Our PHSE curriculum teaches children about equalities at an age appropriate level.

We must under the general duty of public sector equality duty, in the exercise of our functions, have due regard to the need to:

- ✓ Eliminate discrimination, harassment, victimisation and any other conduct that is prohibited under the Act.
- ✓ Advance equality of opportunity between persons who share a relevant protected characteristic and persons who do not share it;
- ✓ Foster good relations between persons who share a relevant protected characteristic and persons who do not share it.

This will apply to all pupils, staff and others using the facilities. We will give relevant and proportionate consideration to the public sector equality duty.

The protected characteristics for the schools provisions are:

- Disability
- Gender reassignment
- Pregnancy and maternity
- Race
- Religion or belief
- Sex
- Sexual orientation
- Age (only applicable to staff, not pupils)
- Marriage and Civil Partnerships (only applicable to staff, not pupils)

Age and marriage and civil partnership are NOT protected characteristics for the schools provisions for pupils.

We will have **due regard** to advancing equality of opportunity including making serious consideration of the need to

- remove or minimise disadvantages suffered by persons who share a relevant protected characteristic that are connected to that characteristic;
- take steps to meet the needs of persons who share a protected characteristics that are different from the needs of persons who do not share it;
- encourage persons who share a relevant protected characteristic to participate in public life or in any activity in which participation by such persons is disproportionately low.

We will take into account the six Brown principles of ‘due regard’

- **awareness** – all staff know and understand what the law requires
- **timeliness** – implications considered before they are implemented
- **rigour** – open-minded and rigorous analysis, including parent/pupil voice
- **non-delegation** – the PSED cannot be delegated
- **continuous** – ongoing all academic year
- **record-keeping** – keep notes and records of decisions & meetings

We welcome the opportunity to be transparent and accountable. To this end we fulfil the specific duties of the Act by:

- ✓ publishing our equality information
- ✓ publishing our equality objectives

We aim to make the information accessible, easy to read and easy to find.

**Equality Objectives**

Our equality objectives are:

1. To teach children at an age-appropriate level, information about equalities.
2. To increase the number of boys attaining the higher standards and greater depth scores
3. To continue to help children in receipt of pupil premium to narrow attainment gaps
4. To continue to work closely with outside agencies to support children with SEND.

**We will update our equality objectives every four years and will publish progress on them annually**

We adopt a whole school approach to equality and consider it important for pupils to learn about equality and human rights. We adhere to the Equality and Human Rights Commission (EHCR) statement:

*‘To reap the full benefits of equality and human rights education, it is essential to teach topics in an environment which respects the rights and differences of both students and teachers. Without an equality and human rights culture within the classroom and school as a whole, learning about these topics can at best appear irrelevant, and at worst, hypocritical. The respect and tolerance it teaches will help staff and students create a healthier, happier, fairer school culture, and could lead to reductions in bullying and other negative behaviour, and improvements in attainment and aspirations.*

Though the Act refers to ‘race’, the use of ethnic/ cultural origin, background or heritage is often more appropriate
