

Barnard Castle Neighbourhood Policing Team

Advice/Warning

I have recently been made aware of some parking issues around the area of Montalbo Primary School, specifically cars parking over footpaths and cars parking opposite each other, meaning there is not enough space on the road for an emergency vehicle to fit through should it be necessary and compromising children/footpath users safety.

Can I ask that consideration is kept for all road and footpath users. The local Neighbourhood Policing Team and highways will be conducting extra patrols and will take action against any vehicle found to be causing an obstruction in the area.

Parents/Guardians- If you know a vehicle which causes obstruction frequently, please take photo of it causing the obstruction and send me an email. You can stay anonymous.

The Barnard Castle Beat Team takes all reports seriously and is working to reduce the number of complaints raised by school staff as well parents and residents.

Kind regards

Preet
