## Top Tips for keeping teeth bright and healthy

1. Brush twice a day with fluoride toothpaste for at least 2 minutes

2. Make sure that every surface of every tooth is brushed thoroughly – front, back, top and sides

**3.** Use different brush strokes – up and down, side to side and round in circles

4. Don't forget to brush your tongue and gums

**5.** Brush in front of a mirror so you can see what you're doing and make sure every tooth gets attention

**6.** Spit out the toothpaste but don't rinse your mouth
