

Annual Governance Statement for the Governing Body of

Montalbo Nursery & Primary School

2026 - 27

School Vision / Mission Statement

All staff and governors at Montalbo are committed to providing the best possible education for our children. Our aim is to maximize the potential of every child in school by striving to give them a broad, well balanced, cultured and creative education. Most importantly, we want our children to enjoy school. While academic progress is valued and important to us, Montalbo is about more than that. We **endeavour** that all our pupils **collaborate** effectively with each other and members of the community. We believe they should be happy and confident members of society - **inspirational**, skilful and well able to reach out to the wider world to change lives for the better. We pride ourselves on the positive working environment in the school - visitors often comment on the lovely atmosphere between children and staff, the respectful nature of the children, and the superb relationships.

The Governing body of Montalbo Nursery & Primary School provide strategic leadership and accountability in school. We have a strong focus on the key strategic elements identified from the School Improvement Plan and desire to continuously improve the function of the Governing body in 2026 - 2027:

1. Governors will hold the Head Teacher to account for the educational performance of the school and its pupils.
2. Oversee the financial performance of the school and make sure it's money is well spent
3. Ensure clarity of vision, ethos and strategic direction using the 3 year strategic plan and School Improvement Plan (SIP) as tools to support the Head whilst working towards becoming an outstanding school.
4. Governors will seek to drive improvement in each school function for which they have responsibility. Governors will ensure that they have the correct skills and training to monitor and drive the culture, educational performance, environment, facilities and welfare of staff and pupils to excellence.
5. Hold effective and efficient committee meetings which show direct links to the SIP and demonstrate successful completion of actions - meeting statutory requirements and in line with terms of reference.
